

ICYMI: RNC PLATFORM COMMITTEE ADOPTS 2024 REPUBLICAN PARTY PLATFORM

JUL 08, 2024

Document Reflects 20 GOP Principles, Roadmap to Make America Great Again

MILWAUKEE, Wis. – Today, the Republican National Committee (RNC) Platform Committee adopted President Donald J. Trump’s 2024 Republican Party Platform with overwhelming support– a pro-American agenda that stands in stark contrast to the record of weakness, failure, and dishonesty created by Joe Biden. President Trump’s platform serves as a contract with the American voter that makes clear what we can and will deliver under a President Trump administration with the Republican Party leading the country for the next four years.

“President Trump’s 2024 Republican Party Platform articulates his vision to Make America Great Again in a way that is concise and digestible for every voter,” said Trump Campaign Senior Advisors Chris LaCivita and Susie Wiles. “While Joe Biden and Democrats argue about who will be at the top of their ticket and have implemented policies that have raised prices on everyday families, opened the floodgates to migrant crime via wide-open borders, shackled American energy with red tape forced by Washington bureaucrats, and sewn chaos across the world through weak foreign policy, President Trump will Make America Great Again through these America First principles.”

“Only President Trump can restore our economy, restore our Southern Border, and restore America’s standing in the world,” said RNC Chairman Michael Whatley and RNC Co-Chair Lara Trump. “His 2024 Republican Party Platform is a bold roadmap that will undo the devastating damage that Joe Biden’s far-left policies have done to this country, power President Trump to a historic victory in November, and Make America Great Again.

Read the 2024 Platform, as passed by Committee, below:

Our Nation’s History is filled with the stories of brave men and women who gave everything they had to build America into the Greatest Nation in the History of the World. Generations of American Patriots have summoned the American Spirit of Strength, Determination, and Love of Country to overcome seemingly insurmountable challenges. The American People have proven time and again that we can overcome any obstacle and any force pitted against us.

...

But now we are a Nation in SERIOUS DECLINE. Our future, our identity, and our very way of life are under threat like never before. Today we must once again call upon the same American Spirit that led us to prevail through every challenge of the past if we are going to lead our Nation to a brighter future.

For decades, our politicians sold our jobs and livelihoods to the highest bidders overseas with unfair Trade Deals and a blind faith in the siren song of globalism. They insulated themselves from criticism and the consequences of their own bad actions, allowing our Borders to be overrun, our cities to be overtaken by crime, our System of Justice to be weaponized, and our young people to develop a sense of hopelessness and despair. They rejected our History and our Values. Quite simply, they did everything in their power to destroy our Country.

In 2016, President Donald J. Trump was elected as an unapologetic Champion of the American People. He reignited the American Spirit and called on us to renew our National Pride. His Policies spurred Historic Economic Growth, Job Creation, and a Resurgence of American Manufacturing. President Trump and the Republican Party led America out of the pessimism induced by decades of failed leadership, showing us that the American People want Greatness for our Country again.

Yet after nearly four years of the Biden administration, America is now rocked by Raging Inflation, Open Borders, Rampant Crime, Attacks on our Children, and Global Conflict, Chaos, and Instability.

Like the Heroes who built and defended this Nation before us, we will never give up. We will restore our Nation of, by, and for the People. We will Make America Great Again.

...

America needs determined Republican Leadership at every level of Government to address the core threats to our very survival: Our disastrously Open Border, our weakened Economy, crippling restrictions on American Energy Production, our depleted Military, attacks on the American System of Justice, and much more.

To make clear our commitment, we offer to the American people the 2024 GOP Platform to Make America Great Again! It is a forward-looking Agenda that begins with the following twenty promises that we will accomplish very quickly when we win the White House and Republican Majorities in the House and Senate.
